Lord, You've charmed and drawn me to Your presence

D A G A
Lord, Your love's attracted my heart.

D A G D
Now Your beauty captivates my being;

G A D
And nothing my heart desires compares to You.

Look away, look away.
Look away, look away.
Look away to the greatest attraction
The greatest One in the universe.

D D7
Many times I think that I'm okay

G A
Trusting in what others say,

D D7
But, I often blinded, fail to see

A7 D
That in me, He is not reality.

Brothers tell me that of love
He did not remain above
But to earth to court did He
That in me, He would be reality

Why don't I know Him as this One,
The God of glory and the Son
And the Spirit flowing free
Into me, that He would be reality.

It's not enough just to be saved
Or to know how to behave,
If you'd ask your heart, it'd longed to be
Living filled with Him as reality.

With my heart Lord I desire
That I would be set on fire
To remain in You to stay
And touch You every day.

Lord, I give myself to strive
Into You I would dive
Whether days bring rain or shine
Everything You are is mine.
Everything You are is mine.

I had a debt I could not pay.

He paid the debt He did not owe.

I needed someone

To wash my sins away;

And now I sing a brand new song--

Amazing grace-(all day long)

Christ Jesus paid the debt that I could never pay.
