

94.

Am5 Am3
 I never thought that God would be enjoyable
 Am5 Am3
 And my experience of Him is indescribable.
 D E
 When first I opened up my heart to Him,
 D E
 He came in me and filled me to the brim.

Am5 Am3
 O Lord, You're wonderful,
 Am5 Am3
 You're wonderful,
 Am5-Am3 Am5-Am3-Am5
 Jesus, Jesus.

I never sought Him nor I ever asked for Him
 Sometimes I wonder, am I in a heavenly dream.
 I don't deserve Him, oh, a sinner like me,
 My explanation, friends, it's just His mercy.

O Lord, Your mercy reached me,
 Your mercy reached me,
 Jesus, Jesus.

My friends they tell me,
 "Don't live too much for Him,"
 "Just be so normal and not go to the extreme."
 But I can't help it, there is no one like Him.
 His love has touched me, so I now have meaning.

O Lord, Your love has touched me,
 Your love has wrecked me,
 Jesus, Jesus.

My every moment is to live unto You
 In everything dear Lord,
 You must now break through
 I'm just a vessel, You're my treasure within
 O Lord, keep spreading in my entire being.

By calling, O Lord Jesus,
 That name most precious,
 Jesus, Jesus.

And now I'm waiting for Your coming again.
 Lord, keep me faithful to You unto the end.
 To see You face to face on that great day,
 'Tis my desire that I'd go all the way.

Oh Lord, You're coming soon,
 O lovely
 Jesus, Jesus.

95. (Hymn 1299)

D A
 1. Man's Creator has a purpose
 Bm F#m
 For our being here on earth.
 G D
 In His image we're created,
 Em Em7
 To express His rule on earth.
 D A
 But man fell to Satan's tempting;
 Bm F#m
 Thus, God's goal was hid from view.
 G D
 Still our God will have His kingdom,
 Em Em7 D
 For His Son will see it through.

F#m
 Jesus Christ will get His kingdom
 G D
 In spite of Satan and his plans;
 F#m
 He's getting something real and solid
 G D
 By growing in the hearts of man.
 F#m
 It's nothing like religion teaches:
 G D
 "You have to wait until you die" -
 G
 For the kingdom Christ is building,
 D G D
 Is here on earth before our eyes.

2. His Son, Jesus, is our Savior.
 Once in human form He came.
 Now as Spirit He can enter
 As the breath of life to man.
 As a seed within our spirit
 Christ takes root and starts to grow,
 Spreading in our inmost being
 Till His life we come to know.

3. Time is short, oh brothers, hear it,
 Christ is longing for His Bride.
 We can hasten His returning
 Simply by the growth in life.
 No more struggling, no more striving,
 Simply turn to Christ within.
 See the seed begin to blossom,
 Growing fully into Him.

Jesus Christ will get His kingdom
 By growing in a normal way.
 It's not just instant transformation;
 This growth goes on from day to day.
 The seed of life is all-inclusive -
 It's got everything we'll ever need;
 Yes, our God's eternal purpose
 Is all within this precious seed.
